6758 + 67931 DESK KIT

The 6700 series surface mount video monitor with a 7” Hi-Res full colour active matrix LCD screen is designed primarily for low and high-rise private developments and individual houses where an attractive and cost-effective functional videophone is desirable.

Accessories include a desk kit for an easy and practical functional alternative to a wall mount solution.

Key Features include:

- Hands-free speech.
- Surface mount video monitor in satin white or matt black finish.
- 7” Hi-Res full colour active matrix LCD TFT display.
- Timed privacy function and door open with LED indication.
- Adjustable call tone, speech, hue and brightness controls.
- Programmable number of rings and melody options.
- Available for videokits, VX2200 and VX2300 digital systems.
- Picture memory option can store up to 100 pictures with corresponding recorded date and time.
- Adding a microSD card, the memory can also record videos (15 seconds max for each video).
- Picture memory option with manual or automatic record function.
