# VR120 SERIES

## VR120 Series Flush Bezel Back Boxes

**VRBB120x220**
(for 120x220mm panels)

**VRBB120x280**
(for 120x280mm panels)

**VRBB120x400**
(for 120x400mm panels)

**VRBB120x500**
(for 120x500mm panels)

The **VR120** series flush bezel back boxes have an 18mm bezel surround are suitable for the full range of standard size VR120 series panels.

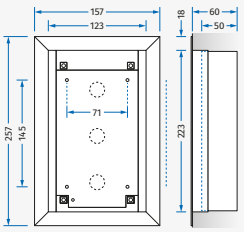

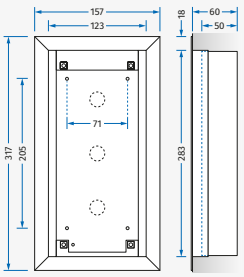

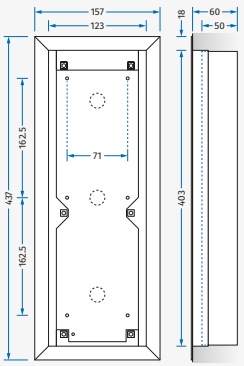

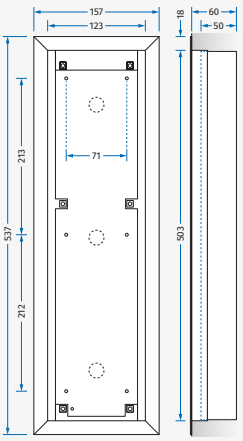

The inner box is made from galvanised stainless steel and has 3x20mm knockouts to route signal cables through and are evenly spaced along the centre of the inner base of the bezel box.

They are also fitted with either four or six M5 cage nuts (depending on the box size) and include an M4x10mm earth stud to allow the **VR120** series panels earth strap to be connected.

Four or six 4mm fixing holes (depending on the box size) are located on the inner base of the box to allow for easy flush mounting into a wall cavity.
